सं./No. CTR-V/7-3/2022/Estate Management /81 दिनांक/ **Date: 02-11-2026**

NOTICE

विषय / Sub: Disposal of standing *Prosopis juliflora* trees in the Forest Campus -Inviting quotations – reg.

Sealed quotations are hereby invited from the interested bidders for the disposal of standing ***Prosopis juliflora*** **trees available at the Forest Campus, Coimbatore, approximately 380 Nos.,** are proposed to be disposed of through public auction, as per the applicable rules and procedures.

The quotation should be submitted in a sealed cover addressed to the Director, ICFRE-IFGTB, Coimbatore and should reach this office on or before 12.00 PM on **07.11.2026**. The tenders will be opened at 2.30 PM.

The trees are located at the following three locations:

1. Western side:
The area from near the **Gas Forest Museum up to the road near CASFOS Playground**.

2. Eastern side:
The area from near the **Scientist Hostel up to the area between Type-II quarters (C-90 to C-105) and Type-III quarters (C-106 to C-117)**.

3. Scientist Hostel Road to Cowley Brown Road:
The area between the **Scientist Hostel Road and the Compound Wall on Cowley Brown Road**, including the area in and around the **Type-IV (Mangalore Tiles) line and in front of the Type-IV (Mangalore Tiles) quarters**.

The intending bidders are advised to **inspect the trees at the above locations before submitting their quotations** and satisfy themselves regarding the number, size, condition and location of the trees. No claim arising from lack of inspection shall be entertained subsequently.

Terms and conditions:

1. The **EMD of ₹6,000/- (Rupees Six Thousand only)** shall be submitted in the form of a **Crossed Demand Draft drawn in favour of the Director, ICFRE-Institute of Forest Genetics and Tree Breeding, Coimbatore**, along with the quotation.

2. The quotation shall be submitted for the **lump-sum value of all the standing Prosopis juliflora trees** identified at the above-mentioned locations.

3. The quoted amount shall include all expenses towards **cutting, labour, loading, transportation, removal and disposal** of the trees, branches and resultant materials.

4. The bidder quoting the **highest acceptable amount** shall be considered for award, subject to approval of the competent authority.

5. The successful tenderer shall remit **50% of the accepted tender amount initially**, immediately after acceptance of the quotation. The remaining **50% shall be remitted before commencement of removal/transportation of the first consignment** of the felled material.

6. The successful tenderer shall also comply with the requirements of the **Tamil Nadu Forest Department** regarding remittance of the accepted sale amount and shall furnish proof of such remittance/payment, wherever applicable.

7. In the event of failure of the successful tenderer to remit the amount within the prescribed period or to comply with the terms and conditions, the **EMD shall be liable to forfeiture** and the quotation/award may be cancelled.

8. The EMD shall **not be adjusted towards the accepted sale amount**. The EMD shall be refunded to the successful tenderer after completion of the work and fulfillment of all conditions, on submission of a written request, subject to adjustment/recovery of any dues or damages, if applicable.

9. The quotation should be filled in clearly and without corrections or alterations. If any correction or alteration is made, the same shall be duly attested by the bidder with his/her full signature.

10. The completed quotation along with the Demand Draft for ₹6,000/- towards EMD shall be submitted in a sealed cover either **in person or by post**. The Institute shall not be responsible for any postal delay.

11. The sealed cover shall be superscribed **"SEALED QUOTATION FOR DISPOSAL OF STANDING PROSOPIS JULIFLORA TREES"**.

12. The successful tenderer shall be responsible for obtaining the

necessary permission from the concerned Forest Department/Forest Range Office, including the prescribed **Form-II permission**, wherever applicable, before cutting, removal and transportation of the trees.

13. No tree shall be cut or removed before obtaining the required permission from the competent authority.

14. The successful tenderer shall complete the cutting and removal/disposal of the trees within **10 days** from the date of acceptance of the quotation or from the date of obtaining the required permission, whichever is later, as may be specified by the Institute.

15. All labour, tools, equipment, machinery, vehicles and other arrangements required for cutting, loading and transportation shall be made by the successful tenderer at his/her own cost.

16. Only the **identified/selected Prosopis juliflora trees** shall be cut. Cutting of any other tree or vegetation is strictly prohibited.

17. The selected trees shall be cut and removed without causing damage to other trees, buildings, roads, electrical/transmission lines, water lines or any other property in the Forest Campus.

18. If any damage is caused to the property of the Institute by the successful tenderer or his/her workers, the same shall be rectified by the tenderer at his/her own cost. The Institute shall also be entitled to recover the cost of such damage and take further action as per the applicable rules.

19. The successful tenderer shall be responsible for the safety of the labourers engaged by him/her and shall comply with all applicable safety and labour requirements.

20. The Institute shall not be responsible for any accident, injury, loss or damage caused to the tenderer, his/her workers, vehicles or any third party during cutting, loading, removal or transportation of the trees.

21. The successful tenderer shall obtain all necessary **permits/passes for transportation** of the felled material as required by the Forest Department/competent authority.

22. The transportation of the felled material shall be carried out **through the Institute's main gate only**, unless otherwise permitted by the competent authority.

23. Cutting and removal of the trees shall be permitted only between **07.00 AM and 06.00 PM** on working days/days permitted by the Institute.

24. The successful tenderer may, with prior permission of the competent authority, deploy his/her own watch staff for safeguarding the timber/felled material within the permitted area.

25. The successful tenderer shall not assign, transfer or sublet the work or

any part thereof to any other person without the prior written permission of the **Director, ICFRE-IFGTB, Coimbatore**.

26. The successful tenderer shall remove all cut branches, debris and other waste materials from the site and leave the area clean after completion of the work.

27. The successful tenderer shall abide by all instructions and conditions issued by the **Director, ICFRE-IFGTB and the concerned Forest Department** in connection with the cutting, removal and transportation of the trees.

28. Acceptance or rejection of the quotation rests with the **Director, ICFRE-IFGTB, Coimbatore**, who reserves the right to accept or reject any or all quotations without assigning any reason.

29. The **highest quotation shall not confer any right on the bidder for acceptance**. The decision of the competent authority regarding acceptance of the quotation shall be final and binding.

30. Any quotation received after the prescribed date and time shall not be considered.

31. The quotation shall remain valid for a period of **60 days** from the last date of submission.

32. Any other condition prescribed by the **Tamil Nadu Forest Department** in respect of the disposal, cutting, removal and transportation of *Prosopis juliflora* trees shall also be complied with by the successful tenderer.
